Junior Tennis Programs

Our experienced staff provides fall, winter and spring programs. Players will be grouped by age/ability. Minimum of 4 players per age group for program to run.

Munchkins

Red Ball (Ages 4-8) 17" to 21" racquet
This program introduces tennis to kids using larger, slower balls on a smaller 36' court. Children are able to develop tennis skills at a higher rate of success. Later, they will be able to adapt the same skills on a larger court.

Hot Shots (JTPO)

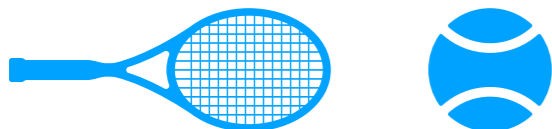

Orange Ball (Ages 8-12) 21" to 25" racquet
This clinic focuses on the fundamentals of tennis. Children will be taught basic tennis skills and general tennis knowledge using standard size, but low compression tennis balls.

Satellite (JTPG)

Green Ball (Ages 10-14) 25" to 27" racquet
This class is designed to introduce players to competitive play. It focuses on developing strokes, technique, and rally skills using low compression balls that are 25% slower than yellow tennis balls to promote successful match play. It is also beneficial for the rapid advancement of older beginner players.

Tour (JTPY)

Yellow Ball (Ages 10-14) 25" to 27" racquet
Designed for players who can keep a rally, already know simple technique, and are able to play points.

All - Stars (JTPHS)

H.S. Program (Ages 12-18)
This class is designed for the High School player with strong emphasis on technique, developing match play strategies, and fitness to prepare for competition.

Junior Team Tennis (JTT)

Junior Team Tennis is open to all children who are interested in match play experience. The best way to improve is to utilize the skills you learn in practice during play. JTT is a travel team where Rocky Hill competes against other clubs in the area. Cost for the whole season: \$275.00 if prepaid.
Includes Matches and Practices
